REPORT OF THE PANEL OF EXAMINATION, OF THE PRESYNOPSIS SEMINAR.

The student submitted a comprehensive report of the research work carried out by him/ her – and made an oral presentation of the same to the panel of examiners. The panel makes the following observations and recommendations.

1. **The work done by the candidate towards the degree of Doctor of Philosophy (Ph.D.) is, as of date:** *(please indicate ONE of the three options (a), (b), (c) below).*
 - (a) **adequate** for the submission of the Ph.D. Synopsis and Thesis, and the work may be regarded as final in the present form.
 - (b) **almost adequate** for the submission of the Ph.D. Synopsis and Thesis, and minor improvements/ additions can be made during the maximum period of four months available from the Presynopsis Examination to submit the Synopsis and Thesis. These points of improvement have been indicated to the student during the Presynopsis Seminar and/ or outlined in Item 3 below.
 - (c) **inadequate** for the submission of PhD Synopsis and Thesis – in its present form, and major modifications/ additions/ changes are required.
2. **This panel recommends that** – *(please indicate ONE of the two options (a), (b) below.)*
 - (a) **The student be permitted to submit the Ph.D. Synopsis and Thesis** within four months of this date, incorporating the suggestions made by this panel, in consultation with the Ph.D. Supervisor. A Panel need **not** examine the work done, again.
 - (b) The student must incorporate the suggested improvements/ modifications/ changes, following which **the work done must be examined again** by a Panel of Internal Examiners, including the PhD Supervisor. The student may be permitted to submit the PhD Synopsis and Thesis **only if** the Panel sends an accompanying report certifying that the work in its **modified** form is adequate.
